MISSIONS UPDATE - MAY 25, 2012

"Sharing God's message of hope in action."

PERU MISSION TEAMS:

Cross Street
Youth Mission Team
June 22-30

In a few weeks, we'll board a plane for Peru with the Cross Street Youth Mission Team. This will be our 16th year we've taken the Cross Street Team on a mission trip, and we're excited about this year's version of the team! We have 22 people from 10 different churches, and they're ready to give it all to shine the light of Jesus and reach the people of Peru!

I'm blessed by the vision, faith, and hard work that these young people and their leaders have put into going on this trip. They have been making extra money by doing odd jobs. They have attended the meetings on a regular basis to prepare spiritually, as well as preparing music and drama for presentation. They have a fervent passion for God. It's inspirational to have an amazing group of teens and leaders willing to GO and invest their lives and energy to make their mission dream come true, to fulfill the Great Commission of Jesus.

Most of these youths have never been to the third world. Their hearts are going to be opened wide when:

- they hug or play with a child who lives in a shack with no floor and a plastic roof.
- they build a prefab home for a family with little or nothing
- they minister in public schools where you can openly share the gospel of Jesus Christ
- they spend four days with Peruvian youths at our Youth Camp
- they worship God in another language for the first time, or at least try too
- they will see both poverty and Godly passion like never before

I'm writing, to ask you to pray for this team and our second week team as we GO!:

- Pray that God uses us in a mighty way to shine His light wherever we GO
- Pray that God gives us divine appointments
- Pray for God to display His power in supernatural ways
- Pray for provisions for those still trusting God for the finances to pay for the trip
- Pray for the finances still needed to fund the Peru Youth Camp

Thank you for your love and concern. We appreciate your prayers and your involvement in our efforts to reach people with the love of God!

In His Service,

Message Ministries Mission Team #2 - July 1-9

Our second team comes from St. Petersburg, Florida and will be ministering for three days in the 6th de Abril area of Pachacutec, building a pre-fab home and conducting eyeglass clinic outreaches and Vacation Bible School ministry.

Then they will head to Arequipa, in the southern part of Peru, to minister at an orphanage and pursue other ministry opportunities organized by Hector Del Carpio. We're grateful for this team and for the steps of faith they are taking to come to Peru and minister to the people.

Some of these team members have been to Peru before. They are always willing to go the extra mile to show God's love in both practical and spiritual ways. They make a big impact wherever they go! Please keep them in prayer as they GO!
