

## RANDALL MISSION UPDATE - JULY 2015

Please pray for Jim Randall as he goes to Nigeria - Africa for the month of August. He has been ministering faithfully in Southeast Asia and will continue to do so, but God has opened this door to Nigeria. Jim had a word many years ago that he would minister in Africa one day, and after many years that time has come for him to GO. While there, he will minister to thousands of leaders all over Nigeria.

Would you please join us in prayer as we help to send Jim to Nigeria. We truly believe it is God's time for him to go. He has so many valuable insights to share with leaders wherever he is. Jim's heart and the heart of Message Ministries are to help equip indigenous leaders to reach their nations with the gospel of Jesus Christ. Those of you that know Jim, know he is a leader of leaders and that he has so much to offer ministry leaders as well as anyone who is seeking to follow the Lord.

Please post this ministry schedule and pray for him daily. Where possible, we have included the times and places where Jim is scheduled to minister. Please pray for wisdom as he ministers and pray that the Holy Spirit would use him to encourage and exhort these men and women of God. Also, please pray for health and for the finances needed to travel throughout Nigeria for a whole month. Jim is trusting the Lord to meet the needs associated with this trip and we are trusting the Lord with him.

Jim wrote some booklets on leadership which he plans on printing before he goes to Nigeria. If you would like to help with the cost of that, your support is welcome. On his behalf, I want to thank you supporting Jim through your prayers and/or financial support. Without you he could not do what God has called him to do and I know that God is doing wonderful things through his ministry. We are all blessed to be a small part of that.

Thank you and may God bless you, *Brian Weller*
